## Support Scot & Patricia

Scot and Patricia bring encounters of the Father's love to the poor and oppressed worldwide. In addition to ministering the Word and vibrant street ministry where the Lord has poured out His Spirit, they have seen many diseases healed - the healed lepers leap in praise to God and even the blind see.

### Lives Laid Down.

They teach youth and ministry leaders in their discipleship programs both in-person in India and on Zoom when travelling. They manage multiple overseas bases and take care of the program and supply needs of the ministry and of the children and the home year-round.

Wherever the Lord has them at any given time, whether in the U.S., overseas or itinerant speaking, their lives are fully laid down for this ministry. Personal support to Scot and Patricia helps to provide them with food, housing, medical and the essentials to be able to continue to serve to the Lord full time around the world.

## Thank You!

We pray that you are blessed this Christmas season. Whatever your road has looked like to this day, God is a good, good Father. May you receive the greatest gifts from the One Who never stops giving good gifts to His children.

May you experience an increase of peace in your heart and in your home, and healing for your body and soul. May you lie down at night knowing you are personally loved and highly valued by Him, that your life has inestimable value, and that as you look for Him, nothing, nothing can separate you from the Love of God that is in Christ Jesus. You are His Gem! - Scot and Patricia Pope
